

2017 HIGH PERFORMANCE

Selections for the 2017 Delta Region High Performance Camp were especially difficult. Many experienced athletes (some who had been chosen for previous camps) did not receive adequate evaluations from the 30 evaluators at our five tryouts. Please Note: Selections were made by specific positions.

Congratulations to the following athletes that have been chosen to attend the 2017-18 camp to be held May 27-28 in Conway, AR. A registration link will be sent to individuals receiving an invite on Monday evening, April 24. Invitations must be accepted, along with the \$200 camp registration fee by April 30th by 5:00PM. After this date invitations will go out to alternates.

Athletes who are not selected for this year's camp should not be discouraged. Delta Region HP values highly; hard work, determination, and improvement over time. Every year is a new tryout year and Delta Region HP looks forward to athletes trying out in the following year and working to make a program. In the meantime, athletes who do not make Delta Region HP Program should contact their club for camps local to their geographical area. There are excellent camps being operated in all parts of the country – your club director can help with identifying a great place to train over the summer.
